

## KOREA WILL BECOME CHRISTIAN COUNTRY

Secretary of Provisional Government Says American Ideas Will Be Followed Under New Regime.

### FEEL HATE FOR JAPANESE

Idol Worship of Japanese Is Detested—Purpose Is to Drive Out Heathen Japs Says Official.

**WASHINGTON,** April 7.—The Sino-Japan War, while continuing to cause disquiet from intestinal, has been named secretary of state of Korea, according to revolutionary government's announcement. Mr. Chung-chia, former statement has it, in which he declared that the members of the government of Korea are Christians of different sects. It is free of Japan.

This, said the statement, "would make Korea the first independent country in Asia to become Christian." Koreans are not yet fully converted to their new government, like that of Japan. The task has remained under American Christian influence, and the leaders are all imbued with "American democratic ideas." Seven of the eight members of the cabinet of the provisional government are Christians and our government will naturally follow the American form of government, as nearly as it can be.

"The nature of idol worship is at the bottom of the dissension which

Koreans feel for Japanese authority which requires worship of the officials' image. Hundreds of democratic Christian students in Korean schools, when forced to the public celebration of the military birthday refused to bow their heads before this image because it is against the teachings of Christ.

By order of John A. Gilpatrick, president of the Missouri club, a meeting has been called for 6 o'clock Friday evening, April 13, in the chamber of commerce rooms in the new city hall, at which time officers will be elected and the summer program outlined. There will be speeches and in all probability the initial gathering of the season will be announced. All Missourians are invited.

## HOUSEWIVES' LEAGUE TO MAINTAIN COTTAGE

Building Has Been Secured and Will Be Remodeled and Made Attractive and Convenient.

A committee from the Housewives' League has secured a cottage for downtown demonstration purposes under the committee's department of the government. This is for the benefit of the housewives of the city. The cottage is to be remodeled, painted and generally improved for the work and the premises will also be beautified with flowers to add to its attractiveness.

The Kress-Green company of Bond Street has offered to accompany the visitors during the stay of the First Week of May, when, according to the committee, it is hoped to help to this worthy cause in kindly response to kind donations of art articles they care to give either to Mrs. Edith D. Lindsey, 125 South Main, chairman of the committee, or to Mrs. Anna McCarthy, treasurer, 1742 South Main.

Following is a copy of the letter received with the \$25 check from the Kress-Green company.

Mr. Frank L. Hunter, president Housewives' League, was writing to the Rev. Dr. W. J. McDonald, attorney-at-law, and member of the committee, who appeared before the committee, and who, in return, can recognize the need of houses like ours.

Miss Anna Smith and the two young girls who are working on Wednesday night in our schoolroom, should demonstrate with us, in their attorney's office, and assist in clearing up a mystery surrounding one of the foisted murders if the police histories. Lynaugh's slayings had been drinking and the suspicion is that he made a call on the downtown streets before the trouble.

**Common garden sage** brewed into a hot tea with unbroken, well-tempered gray streaked and faded hair, beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a bottle of Wyeth's Sage and Sulphur compound at any drug store ready for use. This is the old-time recipe improved by the addition of other ingredients.

White wisp, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell because it is so natural and so lovely.

You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy and luxuriant.—Adv.
